

** SPECIAL SHAPES BRASS **

Catalogue & Pricelist - November 2008

All brass structural shapes and wire are available in standard 12" lengths. Longer lengths on selected items are available on special request.

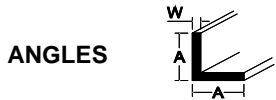

All items from the Special Shapes range, excluding tools, are available, but not necessarily stocked at all times. This catalogue lists only those items that are stocked on a continual basis. Visit www.specialshapes.com for the full range. For special request items, note the Stock No. from the website and contact us for a quote.

Prices mentioned in this catalogue are subject to change without notice.

Postage and packing is extra.

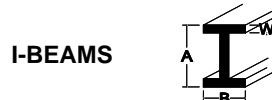

All dimensions shown below are in imperial measurements unless otherwise noted.

Where indicated, W = wall thickness
